NASCC: THE STEEL CONFERENCE

APRIL 12–14, 2023

Charlotte
North Carolina

NASCC: The Steel Conference is an easy and affordable way to reach your target customer. As an exhibitor, you can count on The Steel Conference to deliver up to 5,000 industry professionals—more than any other industry event of its kind.

The Steel Conference exhibit hall is your chance to personally interact with the key decision-makers in the structural steel industry. When it comes to steel design and construction, these key industry players come to find out what's new, who's got it, and how it can work for them.

Don't be left out. Join other top suppliers and manufacturers in reaching these key industry leaders. Attendees are seeking to maintain a competitive edge for the future—information they can only get at NASCC: The Steel Conference.

“

It is one of the few trade shows I can directly link new business to every year we've participated.”

—Soitaab USA

“

NASCC has consistently been the best trade show we attend, year in and year out. We get to interact with people who are key to our industry, and get to see some of our customers face to face who live across the country from us. We always walk away with new connections, new customers and a fun experience.”

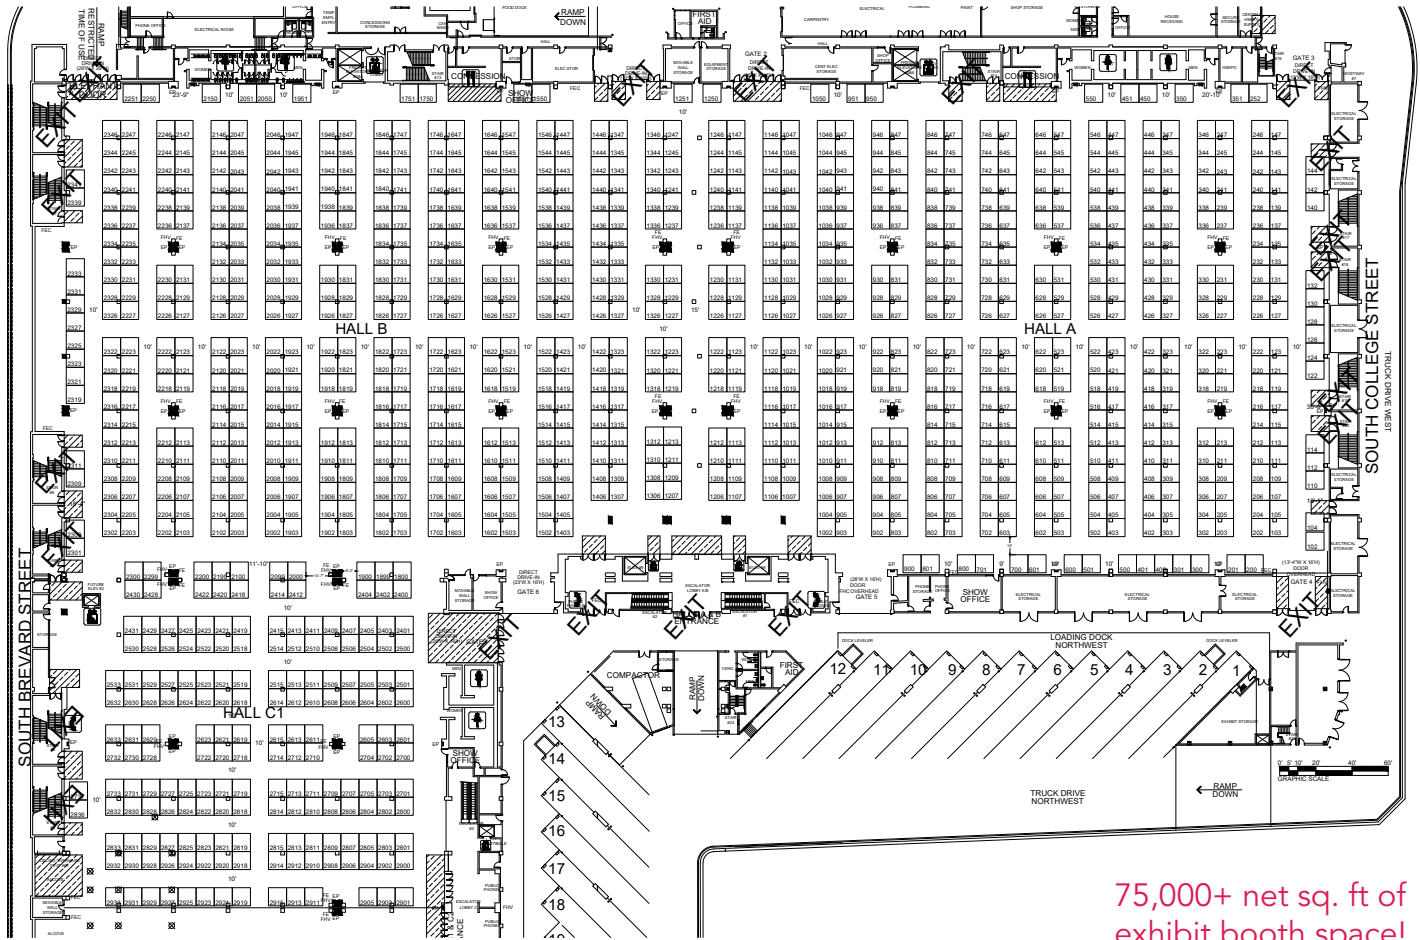

—QuickFrames

Exhibitor Benefits

- Exposure to more than 5,000 conference attendees
- Sponsorship opportunities
- Advertising opportunities
- Exhibitor workshop opportunities
- Listing on the conference website (aisc.org/nascc) and link to your company's website
- Listing in advance program (if booth is secured by November 2022)
- Listing and company description in the *Modern Steel Construction* show issue (if booth is secured by Jan. 31, 2022)
- Listing and company description in NASCC: The Steel Conference mobile app
- Three complimentary full exhibitor registrations for the first 100 sq. ft of booth space and one complimentary full exhibitor registration for each additional 100 sq. ft of booth space (includes admittance to Welcome Reception, boxed lunch in exhibit hall on Wednesday and Thursday and access to all technical sessions except short courses)
- Discounted full exhibitor registrations for additional booth personnel
- Complimentary exhibit hall passes for special guests/customers
- Pre- and post-conference list of attendees with email and mailing addresses (Pre-conference lists are sent approximately 30 days prior to show and two weeks prior to show; post-conference lists are sent approximately 45 days following the show.)
- Priority booth selection for next year's show

About the Exhibit Hall

Level 1 | Halls A-C1 | Charlotte Convention Center

75,000+ net sq. ft of exhibit booth space!

- To reserve space prior to Sept. 30, 2022, a non-refundable deposit equal to 25% of exhibit space's total cost is due with the contract and the remaining balance is due by Sept. 30, 2022.
- To reserve space after Sept. 30, 2022, 100% payment is due with the contract.

Standard Booth Equipment

Each standard (in line) booth includes:

- 8-ft-high back drape
- 3-ft-high side drapes
- A company identification sign (7 in. x 44 in.) will include the company name and booth number

Exhibitors are required to, and are responsible for, carpeting their entire booth space.

Membership Discount

AISC Full and Associate Members receive a 25% discount on booth rates. For membership information, contact Eliot Jenkins: 312.670.5409 | jenkins@aisc.org

Exhibitor Service Manual

A comprehensive Exhibitor Service Manual will be emailed to all paid exhibitors in January 2023. This manual will include information on show rules and regulations, exhibit installation and dismantling, shipping, and booth products and services plus order forms.

.....

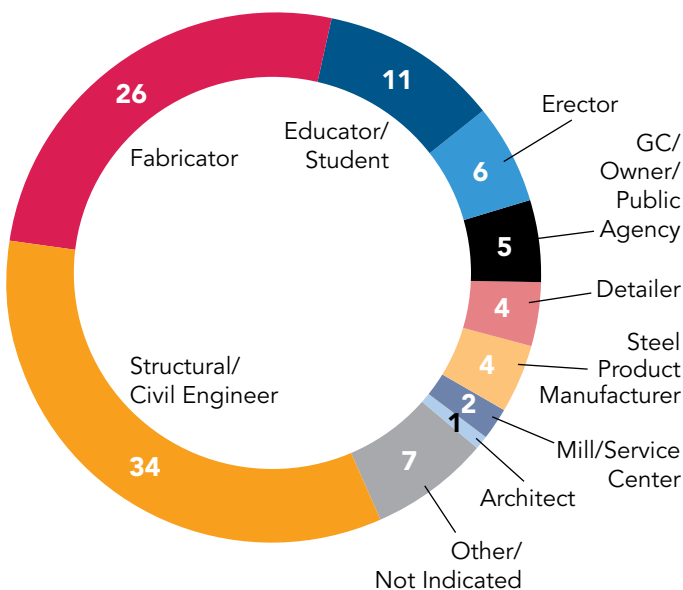

NASCC is a great networking opportunity with a vast cross-section of clientele."

—Taylor Devices, Inc.

.....

Attendance Demographics

based on post-registration figures from 2019

We are a long-time exhibitor at NASCC and find great value in attending every year. It is a wonderful opportunity to connect with our current customers and partners, as well as build new relationships. Additionally, as the industry continues to evolve technologically, attending NASCC allows us to be informed about and adapt to these advancements and ever-changing market conditions. Attending this show every year is a must."
